NATIONAL ENGINEERING HANDBOOK (NEH)
200-VI-NEH
Amendment MN2 (Part 651)

SUBJECT: ENG - AGRICULTURAL WASTE MANAGEMENT FIELD HANDBOOK
(AWMFH) PART 651

Purpose. To distribute MN Amendment 2, Monthly Precipitation
Normals.

Effective Date. This amendment is effective upon receipt.

This amendment distributes tables containing monthly
precipitation, runoff and evaporation tables for every county in
Minnesota. Some counties are divided into two tables.

The normal runoff values in these tables were derived from the
"Monthly Station Normals of Temperature, Precipitation, and
Heating and Cooling Degree Days, 1961 - 90, Minnesota" and
Chapter 10 of the Agricultural Waste Management Field Handbook.

25 yr. - 24 hr. storm data was derived using the Minnesota
Hydrology Guide.

Filing Instructions. File the table at the end of Chapter 10 of
the Agricultural Waste Management Field Handbook. Please note
that each field office will only receive the tables applicable to
their jurisdiction. Area offices will receive the tables
applicable to the counties in their area.
